CL400® ADA Magnetic

Our CL400 ADA Magnetic is a seamless addition to the CL400 Magnetic range, designed to provide more flexibility for building owners. You can now benefit from the same patented magnetic mechanism found in the CL400 Magnetic, with the added advantage of accessibility for individuals with disabilities.

Our CL400 ADA maintains compatibility with existing door cutouts and strikers, allowing it to be easily retrofitted over our standard CL400 flush handles.

Features

- Pull handle is easy to use - no tight pinching or twisting of the wrist
- Specify with CS cavity slider and door for a complete solution
- Privacy option is supplied with red/green engaged/vacant indication as standard
- Suitable for cavity or surface sliding doors
- The handle is locked with a simple up/down motion
